RULES RELATING TO A NEW REGISTER OF POOR TO BE CALLED "THE GENERAL REGISTER OF POOR" AND TO AN ADDITIONAL REGISTER TO BE CALLED "THE CHILDREN'S SEPARATE REGISTER."

RULE I.—From and after the 1st day of January 1865, the Inspector of Poor in every parish and combination shall keep the Register of Poor, to be called "The General Register of Poor," in accordance with the annexed form A, which the Inspector is required in every case to fill up, in every particular, as far as may be practicable.

RULE II.—Every Inspector of Poor shall provide himself, at the cost of the parish, with books for the Registers of Poor required by these Rules to be kept.

RULE III.—No new cases shall be entered in the present Register after 31st December 1864.

RULE IV.—The Parochial Board of each parish or combination, shall before the 1st of January 1865, name and publicly announce two lawful days in the week, on each of which, during one hour to be fixed and announced in like manner by that Board, but not earlier than 9 a.m., nor later than 3 p.m., both the General Register and the Children's Separate Register, directed by Rule V. to be kept, shall be open to inspection at the office of the Inspector of Poor, free of charge, by any known minister of any religious denomination, officiating in the parish or combination, and on payment of one shilling, on each occasion that he inspects it, by any ratepayer of the parish or combination giving his name and address in writing.

RULE V.—From and after the 1st day of January 1865, the Inspector of the Poor in every parish and combination shall also keep in a separate book a Register, to be called "The Children's Separate Register," in accordance with the annexed form B, in which shall be entered the particulars, to be specified in Rule VII., regarding each poor child, who, at the date above mentioned, or thereafter, may be receiving relief from the parish or combination, and who may be an orphan *or* deserted (either by both parents, or by an only surviving parent), *or* who may, by order of the Parochial Board or a Committee thereof, be separated from or placed elsewhere than with the child's parents, or one of them.

RULE VI.—The Children's Separate Register shall be so kept, that all the particulars required to be entered therein, which relate to each child, shall be contained in one page of that Register, or if it should (in any case) be necessary to continue the entries relative to the same child, in a second page of the same or another volume, then the original and the second page shall respectively contain distinct references to the volume, and the page of that volume in which the other entries can be found.

RULE VII.—The particulars relating to each child required to be entered in the Children's Separate Register are :—

First.—The name and the age ascertained or presumed. The date at which he or she became chargeable, and whether as an orphan, or as a deserted child, or as a child separated from a parent or parents, and if so separated, then the reason for such separation.

Second.—The religious denomination :—whether Protestant or Roman Catholic,—with the grounds for holding the child to be of the denomination entered in the Register.

Third.—The name, religious denomination, and place of residence of the parents, or of the last surviving parent of the child, so far as these are known or can be ascertained.

Fourth.—The date of any minute of the Parochial Board or Committee thereof, directing that the child be sent to the Poorhouse, or be boarded out, and when directed to be boarded out, the name, religious denomination, and place of residence of the person with whom boarded, and the date of removal thereto ; and if the child be registered as a Roman Catholic, then the date of intimation sent, in terms of the Board of Supervision's Minute of the 13th February 1862, to the priest of that faith, residing nearest to the place where the child is to be boarded. Also, in like manner, similar entries with reference to every subsequent order for removal and actual removal of the same child boarded out, from one place or house to another, or from the care of one person to another, from time to time, so long as the child is receiving relief.

Fifth.—The date and the age at which, and the circumstances in consequence of which the child may have ceased to be chargeable to the parish or combination, and the name, residence, occupation or trade of the person with whom the child may have been apprenticed or may have engaged as a servant while receiving parochial relief.

RULE VIII.—In every case in which an orphan or deserted child, or a child separated from its parents, is ordered to be sent to the Poorhouse, the Inspector shall state, in the ticket for his or her admission, the religious denomination of the child as entered in the Children's Separate Register, and the House Governor of the Poorhouse shall enter the child in the Poorhouse Register as of that denomination ; and he shall cause to be delivered on Monday of each week to any known minister of the religious denomination of any inmate, and who regularly visits or has been nominated to visit, the Poorhouse, for the purpose of instructing the children of his own denomination, a list of all such children then inmates of the Poorhouse, if he applies for it.

Approved by the Right Hon. Sir George Grey, Bart., one of Her Majesty's Principal Secretaries of State, 29th October 1864.

W. S. WALKER,
Secretary.

INSTRUCTIONS.

1. The cases to be entered in the General Register of Poor are all those admittedly chargeable to the parish, resident and non-resident, and receiving relief for a short or long period, by authority of a minute of the Parochial Board or Committee, on and after 1st January 1865.

2. A pauper once entered will retain the same folio in the Register although struck off and re-admitted several times ; the date of the first admission or re-admission, subsequent to the 1st January 1865, will regulate the order in which the names are to be recorded, and all the particulars relating to each registered pauper must be entered consecutively in the same folio, so that it may contain the whole history of the case.
